**Main Motion:** O'Hara moved to approve minutes of the budget review committee on 2/15/23, seconded by Coker.

**Show of Hands (Budget committee in-person):** Unanimously passed (6-0-0)

**Point of Order:** Comtois had concerns about a potentially missed notice of the first budget meeting, that will be addressed by the County Administrator.

Also, Comtois had concerns about motions for changes to the budget; not in order due to all budget items being approved by a vote at the last budget meeting.

Lastly, Comtois had concerned about the bcc feature of email communications being a violation of 91-A due to "used to circumvent the spirit and purpose of this chapter" was out of order due to the fact that if the bcc feature was used it was not "used to circumvent the spirit and purpose of this chapter" but if the bcc feature was used it was to make sure we did not violate 91-A due to the chance that a reply all would create a quorum, which then in return would be a violation to 91-A.

**Table Motion:** Bogert moved to table the budget presentation, seconded by Boardes.

**Roll call:** Passed (12-4-0)
